There are only 3 people that can prepare a bankruptcy for you:

1. **An attorney** – who is going to charge you a hefty sum – probably anywhere from \$1,500.00 to \$6,000.00.
2. **A professional bankruptcy preparer**, who is going to do your bankruptcy for **only a few hundred dollars.** Or,
3. You can do it yourself if you can follow instructions to the letter (that means really well.) My former partner, S. P. Duke, has written a terrific book called "Bankruptcy is the Answer." It's probably the best one on the market to help someone prepare their own case; but, I warn you it is a tedious process and having us prepare your case is well worth the few dollars difference! "Bankruptcy Is The Answer" can be found on the web at: [www.Lulu.com](http://www.Lulu.com) where you can type in the title and the author's name, S. P. Duke, or you may just use the following link: <https://www.lulu.com/shop/search.ep?keyWords=bankruptcy+is+the+answer+by+S.+P.+Duke&type=>

If you know someone residing in another state, you'd be doing them a favor to tell them about Mr. Duke's book. Seniors and others on a fixed income have been having especially tough times so keep them in mind **Here's wishing you the best for the New Year!**
